The Mont-Tremblant Regional Network of B&Bs and Small Inns

The Sunshine Route, A Region, Much Passion

The heart of the Laurentians vibrates with passionate people. The greater Mont Tremblant region pulsates with people whose passions resound in variety, colour and sunlight.

In 2009 BBTremblant, The Mont-Tremblant Regional Network of B&Bs and Small Inns (1998) took the initiative to gather together all its passionate parts: artists, artisans, activities, attractions, restaurants, farmers, B&B and inn owners and develop an itinerary called "The Sunshine Route".

This route can be subdivided into several circuits, some of which can be done on foot, others by bicycle, by motorbike, in your car, alone, in couples, or with the whole family.

On the way you can discover the old covered bridge in Brébeuf, the Calvary in Huberdeau, visit artisans - potters, a jeweller, artists, cabinetmakers, participate in crafts-making workshops, taste regional products highlighted by excellent restaurateurs, learn to fly fish, relax in a lovely B&B or little inn, savour organic produce, take in the glowing countryside, enjoy the warm welcome of all these small business owners and of course, discover the hidden gems of the villages of Arundel, Brébeuf, Huberdeau, Amherst, la Minerve, Labelle, La Conception, Lac Supérieur, Saint-Faustin-Lac-Carré, not to mention the other facets of Mont-Tremblant neighbouring the ski resort.

Year round, a variety of activities are listed on www.bbtremblant.com, but the June 11 and 12 weekend is festive. Special activities await you as all these passionate people open their doors to welcome you. Take advantage to plan your vacation and your outings for the upcoming year. The more B&Bs and small inns visited over the two days, the more chances you have to enter a contest to win one of three prize packages valued at \$350 each. For contest details and more information go to www.laroutedessoleils.com.

But you are always a winner when you stay in a member B&B or small inn of BBTremblant - these are the individuals who will infuse you with their passion for the region!
